Case 01-31391-AMC INSTRUCTIONS FOR CREDITORS Page 3 of 3  
**GRACE NON-ASBESTOS PROOF OF CLAIM FORMS**

*The instructions and definitions below are general explanations of the law. In particular types of cases or circumstances, such as bankruptcy cases that are not filed voluntarily by a debtor, there may be exceptions to these general rules.*

This Proof of Claim form is for Creditors who have **Non-Asbestos Claims** against any of the Debtors. **Non-Asbestos Claims** are any claims against the Debtors as of a time immediately preceding the commencement of the Chapter 11 cases on April 2, 2001 other than Asbestos Personal Injury Claims, Asbestos Property Damage Claims, Zonolite Attic Insulation Claims or Settled Asbestos Claims as defined on the attached General Instructions. More specifically, **Non-Asbestos Claims** are those claims against one or more of the Debtors, whether in the nature of or sounding in tort, contract, warranty or any other theory of law or equity for, relating to or arising by reason of, directly or indirectly, any injury, damage or economic loss caused or allegedly caused directly or indirectly by any of the Debtors or any products or materials manufactured, sold, supplied, produced, specified, selected, distributed or in any way marketed by one or more of the Debtors and arising or allegedly arising directly or indirectly, from acts or omissions of one or more of the Debtors, including, but not limited to, all claims, debts, obligations or liabilities for compensatory and punitive damages.

**Administrative Expenses:** Those claims for, among other things, the actual, necessary costs and expenses of preserving the estate as defined in Section 503 of the Bankruptcy Code that arose after the commencement of the case. A request for payment of an administrative expense may be filed pursuant to Section 503 of the Bankruptcy Code.

**Secured Claim:** A claim is a secured claim to the extent that the creditor has a lien on property of the debtor (collateral) that gives the creditor the right to be paid from that property before creditors who do not have liens on the property. Examples of liens are a mortgage on real estate and a security interest in a car, truck, boat, television set, or other item of property. A lien may have been obtained through a court proceeding before the bankruptcy case began; in some states a court judgment is a lien. In addition, to the extent a creditor also owes money to the debtor (has a right to setoff), the creditor's claim may be a secured claim. (See also *Unsecured Claim*.)

**Unsecured Claim:** If a claim is not a secured claim, it is an unsecured claim. Unsecured claims are those claims for which a creditor has no lien on the debtor's property or the property on which a creditor has a lien is not worth enough to pay the creditor in full.

**Unsecured Nonpriority Claim:** Certain types of unsecured claims are given priority, so they are to be paid in bankruptcy cases before most other unsecured claims (if there is sufficient money or property available to pay these claims). The most common types of priority claims are listed on the proof of claim form. Unsecured claims that are not specifically given priority status by the bankruptcy laws are classified as *Unsecured Nonpriority Claims*.

**Information about Creditor:** Complete this section giving the name, address, and telephone number of the creditor to whom the debtor owes money or property, and the debtor's account number, if any. If anyone else has already filed a proof of claim relating to this debt, if you never received notices from that to which the court sent notice, or if this proof of claim replaces or amends a proof of claim that was already filed, check the appropriate box on the form.

1. **Basis for Claim:** Check the type of debt for which the proof of claim is being filed. If the type of debt is not listed, check "Other" and briefly describe the type of debt. If you were an employee of the debtor, fill in your social security number and the dates of work for which you were not paid.
2. **Date Debt Incurred:** Fill in the date the debt was first owed by the debtor.
3. **Court Judgments:** If you have a court judgment for this debt, state the date the court entered the judgment.
4. **Amount of Claim:** Insert the amount of claim at the time the case was filed in the appropriate box based on your selected Classification of Claim in item 5. If interest or other charges in addition to the principal amount of the claim are included, check the appropriate place on the form and attach an itemization of the interest and charges.
5. **Classification of Claim:** Check either Secured, Unsecured Nonpriority or Unsecured Priority as appropriate. (See **DEFINITIONS** above.)

**Unsecured Priority Claim:** Check the appropriate place if you have an unsecured priority claim, and state the amount entitled to priority. (See **DEFINITIONS**, above). A claim may be partly priority and partly nonpriority if, for example, the claim is for more than the amount given priority by the law. Check the appropriate place to specify the type of priority claim.

6. **Credits:** By signing this proof of claim, you are stating under oath that in calculating the amount of your claim, you have given the debtor credit for all payments received from the debtor.
7. **Supporting Documents:** You must attach to this proof of claim form, copies of documents that show the debtor owes the debt claimed or, if the documents are too lengthy, a summary of those documents. If documents are not available, you must attach an explanation of why they are not available.

*Be sure to date the claim and place original signature of claimant or person making claim for creditor where indicated at the bottom of the claim form. Please type or print name of individual under the signature. Be sure all items are answered on the claim form. If not applicable, insert "Not Applicable".*
